

Friends of Brooker Creek Preserve

OFF THE BEATEN PATH
A nature-based fundraising hike series!

Description: This series of four hikes will take place in beautiful areas tucked away within Brooker Creek Preserve in sites that are closed to the public. Our guide, Dr. Craig Huegel, a Wildlife Ecologist with St. Petersburg College, can identify everything, from the tiniest moss to the tallest tree including animal prints, bird calls, lichens, and more. He is full of stories and very patient in answering questions. The hikes will be not only educational, but a lot of fun as well! The hikes will begin at 9:00 a.m. and be about 3-4 hours long. Bring water and lunch.

Cost: \$80 donation for the series or \$25 donation per hike with a 10% discount for members of Friends of Brooker Creek Preserve

Sites Off the Beaten Path:

Jan. 8, 2017 – Swamp Stomp – Located in the central part of the preserve, this cypress swamp features orchids, ferns, and epiphytes. It may be wet, it may be dry, so be prepared for either as we plunge into the depths of the swamp!

April 2, 2017 (date changed) – Sandhill Scramble – The only true sandhills of Brooker Creek Preserve. This site is in the northern end of the preserve and will feature an abundance of spring wildflowers.

July 9, 2017 - Interior Wildlands – We will be in parts of the Preserve so remote that cell phones won't work, areas so pretty you won't believe you are in Pinellas County!

Oct. 8, 2017 – In Search of Catesby's Lily – Located in the eastern part of the preserve, we will search for the endangered Catesby's Lily. In so doing, we will see a profusion of beautiful fall wildflowers in full bloom.
