

Wildflower Garden Work Day

When: The last Saturday of each month
(January-October only)

Where: The Wildflower Garden near the Auditorium

Time: April-Oct 8:00-10:00 am
Jan-March 9:00-11:00 am

The Wildflower Garden is maintained by the Friends of Brooker Creek Preserve. Come help make it the best it can be. Pam Brown, master gardener, is the leader and teaches us the best practices of garden maintenance. She also provides a lesson on a specific native wildflower during each meeting/work day.

No need to sign up—just show up! There is always plenty to do!
